Robertino Puhanić

Junior Frontend Developer and UI/UX Designer

I'm a 22-year-old Graphic Designer, Frontend Developer, and UI/UX Designer with Bachelor's degree in Electronic Business and Software Engineering. Very communicative person, ambitious, selfinitiative. I have experience with HTML, CSS, JavaScript, React.JS, Tailwind CSS, Next.JS and databases like MySQL and MongoDB. I have also knowledge of working in design softwares like Figma, Adobe Photoshop, Adobe Illustrator. Love to work in teams.
